Set a kid riding a bike and you set them on a winning course for life: You help defeat childhood obesity and attention deficit disorders. You give them a chance to progress and even excel in a sport. And you develop healthy habits that last a lifetime. Kids + Bikes = 😊

Our Mission

Seacoast VeloKids is a 501(c)(3) nonprofit organization dedicated to the introduction and promotion of cycling to the youth of New Hampshire's Seacoast communities.

Our goal is to promote cycling as a lifelong activity that is part of a healthy lifestyle.

2015 Programs

We are offering a series of FREE multi week programs for youth of the seacoast area where participants will develop the skills and techniques to enjoy cycling in New England.

In sharing our passion for cycling, we will also include an emphasis on safety, cycling etiquette, environmental stewardship, and above all FUN!

Corporate Sponsorship Opportunities

Bike Sponsor \$500

- Your organizations name on one of our program bikes
- Your organizations name on our website

Program Sponsor \$1000

- All of the Benefits of Bike Sponsor plus your organizations name on our program trailers; and school program shirts

Program Exclusive \$2000

- Same benefits as Program Sponsors but exclusivity within your industry (i.e. banking, real estate, etc.)

Title Sponsor \$5000

- All benefits of Program Sponsor with Top Billing

All sponsors of our program are making an investment in the youth of the Seacoast and will benefit in the following ways:

- As a non-profit group, all sponsorships are tax deductible.
- Affiliation with a positive local youth program that emphasizes healthy activities and environmental stewardship.

For more information the specific benefits of each level of sponsorship visit www.seacoastvelokids.org/sponsorship
